DENISON CAMPUS GOVERNMENT ASSOCIATION

DENISON UNIVERSITY, GRANVILLE, OHIO 43023

August 1974

Fellow Students:

Several pages at the front of this year's freshman directory are somewhat unique compared with past years. Placing them there is an attempt to lessen an information gap with respect to what activities are available on campus.

While an all encompassing list is not available at this time, the following pages of organizations, activities, and their coordinators provides a starting point from which to seek involvement at Denison. The more subtle implication of this listing however, is to underscore the need for campus and community involvement from a standpoint of personal enrichment as well as the eventual success and continuation of the activities themselves.

Our message and plea is that you utilize the information herein provided to YOUR best advantage. Contact those persons listed and find out what is going on. No matter how small or large your time commitment, somehow involve yourself.

For D.C.G.A. and the
Executive Committee,

Bill Ichord
